2016-2017 SCHOOL YEAR GENERAL STUDENT POPULATION TRANSPORTATION

August, 2016

Dear Parents & Guardians:

First Student will provide transportation for District 92 general population students during the 2016-2017 school year.

Please be advised that in the interest of safety for all students, cameras (video and audio) will be utilized on all buses. The content of the video recordings are student records and are subject to District policy and procedure concerning school student records. Only those people with a legitimate educational or administrative purpose may view the video recordings. If you have any questions or concerns regarding this practice, please call Ms. Teresa Bishop (815-838-8031 x1120).

Parents should contact **First Student** for bus timeliness concerns or questions, your school **Principal's office** for behavior concerns, and the **District office** (815-838-8031 x1110, Ms. Sandy Doran) for route changes and other questions.

First Student contact names & numbers

Jen -	815-726-0033	Jen is the first point of contact for any dispatch issues. Should she not be available, please ask to speak with any other person on the list.
Merianne Cisneros, Asst Mgr		Same phone number
Steve Merner, Manager		Same phone number

We are looking forward to a year of safe, timely transportation for our students! Please help us achieve this goal by knowing your child's route number, location, and pick-up time (sent home by each school in August). Additionally, **please have your student on the bus stop 5 minutes prior to the scheduled bus arrival time.** Waiting for students whom are not on the bus stop in a timely manner causes unnecessary delays for the entire route.

Sincerely,

Teresa A. Bishop
Assistant Superintendent for Business Services
