We are looking forward to a year of safe, timely transportation for our students. Please help us achieve this goal by knowing your child's route number, location, and pick-up time (sent home by each school in August). Additionally, please have your student at the bus stop five (5) minutes prior to the scheduled bus arrival time. Waiting for students whom are not at the bus stop in a timely manner causes unnecessary delays for the entire route.

Thank you and we wish all of our students a successful 2019-2020 school year!
